

THE POWER COFFEE

WHOLESALE ONE-PAGER

Summer 2026

FUNCTIONAL COFFEE, MADE IN MASSACHUSETTS

WHAT IT IS

One scoop into the coffee you already brew. 11 functional ingredients: real coffee, matcha, taurine, 5g pea protein, ginkgo, cinnamon. 175mg clean caffeine. No sugar. No dairy. Steady energy with no afternoon crash.

WHY IT SELLS

Hundreds of customers online. More than 70% report feeling the effects: steady afternoon energy without the crash.

The product regulars ask about but can only find on the internet. Until your shelf.

MSRP

\$18.90

15 servings / 150g pack

WHOLESALE

\$11.35

your margin: \$7.55 (40%)

CASE

6 PACKS

\$68.10 per case

PER SERVING

\$1.26

vs \$6 latte next door

First case on consignment: you only pay for what sells.

FREE TASTING DAY

We run a free customer tasting at your store, one weekend morning. Table, hot and iced samples, all supplied. Samples poured with almond milk and monk fruit, so lactose-intolerant and sugar-free customers can try it too. Zero cost, zero commitment.
